

2017 Agent Promotion:

- Complete orders must be received and accepted by the designated Account Manager on or between **02/14/2017 and 09/30/17 to be eligible.**
- Maximum bonus amount is \$10,000.00 per product.
- Standard retail pricing must be used to be eligible for promotions. Any non-standard special pricing will not qualify for the bonus unless specifically stated in writing from Powernet.
- Promotions available to agents for new customers or new add-on services only.
- Bonuses will be paid 60 days after activation.
- Renewals and moves will not qualify for these promotions.
- In order for the bonus to be issued to the agent, the customer must be current on all bills and have no delinquencies or bad debt to be in compliance with the terms of their contract for service.
- If the customer cancels service within the first 120 days after activation all commissions paid to the agent will be taken back.
- Agents may not combine orders under a single agent ID code. Any order found to have been submitted under another agent's ID code than the actual producing agent, will be deemed ineligible.
- Powernet reserves the right to charge back to agent 100% of bonus paid if they are found to be sharing or combining orders or otherwise violating the terms or intent of the promotions.
- Powernet reserves the right to verify that all orders conform to the intent and guidelines of these promotions.
- Applications must be credit approved and services activated to be eligible.
- Powernet reserves the right to discontinue this promotion at any time without notice.
- All disputes regarding bonuses related to this promotion must be submitted to Powernet's Accounting Department no later than six (6) months following payment of the bonus.
